

DIRT DWELLERS

By Doris Fisher

Many animals live underground part of the time, or all of the time. This provides protection from other animals and outside temperatures.

Can you put these DIRT DWELLERS in the grid below?
A few clues have been provided.

GROUNDHOG	FOX	PRAIRIE DOG
CHIPMUNK	SHREW	AARDVARK
ARMADILLO	MOLE	MEERKAT
EARTHWORM	ANT	BADGER
